

March 2015 update from the Lambda Epsilon Actives

Rush

Pinning was this last weekend. We pinned 13 guys. We're also getting rush shirts.

Sports and Socials

Tequila party was a great success! Everything went well with our new venue. We sold over 150 tickets and are planning on turning a profit for the first time!

There are 20 Pikes signed up for orientation for next autumn.

We placed 3rd in Greek Week but had an amazing showing at all the events and raised the most money for the philanthropy event. On a side note, Kyle Smith earned a fairy tale makeover from this same event.

Our president Kyle Smith after his makeover. SOOO beautiful.

We've got a pizza and board game night planned for March 26 with DG. Pi Phi is also very interested in having an exchange with us at some point.

We're also getting our gym shirts! Here's what we decided to go with for the fronts:

We are working on getting a lot of Pikes in on the world's biggest game of hide and seek.

We had Blazer Tag (Laser Tag in blazers) earlier in February. We were by far the strongest group there, much better than the 10 year olds who were playing.

A few of the brothers at our Tequila party

Brotherhood

Here are the brotherhood cup rankings so far:

- Black and Garnet: 27
- White: 120
- Black and White: 247
- Purple and Gold: 254
- Green: 396
- Blue: 856

This is really doing a good job of showing who the strongest family is!

We finished getting our composite pictures done last month!

We also had a wine tasting on the 24th.

Philanthropy

We are planning Carnival party with the Ranch. We will be making carnival games and are looking into having some sort of circus entertainment provided.

Punch-a-pike is coming up on March 29. We will be offering self-defence courses to women and allowing them to test their newfound skills on Pikes.

We've got a team entered to participate in the Relay for Life on March 26.

The pledges are planning on having a dunk tank for their pledge class project around the end of the semester.

Congrats

There are 3 brothers who were elected to the IFC exec: brothers Garcha, Smith (Kyle) and Schiavone were elected as the social exec, treasurer and MC respectively.
