## READY TO APPLY?

Applying to university doesn't have to be complicated — you can find answers to frequently asked questions, and access videos that will guide you through the application process at [uab.ca/apply](https://uab.ca/apply)

### 1. CHOOSE YOUR PROGRAM(S)

Identify your first and second choices for the best chance of receiving an admission offer. Check the admission requirements for both programs at [uab.ca/programs](https://uab.ca/programs) as well as admission average range trends at [uab.ca/averages](https://uab.ca/averages).

### 2. SUBMIT YOUR APPLICATION

Start your application at [uab.ca/apply](https://uab.ca/apply) where you will report your completed Grade 11 and 12 courses, and Grade 12 courses you are taking and planning to take. You can also apply for residence on your application. After you apply for admission you will receive a student ID and CCID that you can use to apply for scholarships. [uab.ca/awards](https://uab.ca/awards)

### 3. CHECK YOUR STATUS

After you apply you will have access to UAlberta Launchpad. Here you can check your application status, submit outstanding documents, update new final marks, and review any checklist items for your program. We will also assign you a UAlberta email address, where you will check for notifications or correspondence. [uab.ca/aftapp](https://uab.ca/aftapp)

### 4. ACCEPT YOUR OFFER

After you receive an admission offer, you'll need to accept it in Launchpad, and pay the tuition deposit. You will also need to accept your residence offer. Log into Bear Tracks with your student ID and CCID to accept offers for scholarships and awards. [uab.ca/accept](https://uab.ca/accept)

## AFTER YOU APPLY:

### EVALUATION

Admission to the U of A is competitive and works on a rolling basis — some students could receive an admission offer as early as October. Admission averages are calculated using the five required courses for your program of choice using the courses and final marks included on your application. View the average admission range for your programs at [uab.ca/averages](https://uab.ca/averages). Where final Grade 12 marks are unavailable, the final mark in the equivalent Grade 11 course will be used. Admission offers could be based on final Grade 11 marks.

### OUTSTANDING DOCUMENTS

Your UAlberta Launchpad portal may indicate that you have further documents to supply:

#### Out-of-province students:

Your transcripts may not be transferred automatically. Please ensure they are sent to and received by the University of Alberta. [uab.ca/aftapp](https://uab.ca/aftapp)

**Alberta students:** Your final transcripts will be sent on your behalf when you apply through ApplyAlberta.

**International students:** You must obtain a new study permit for post-secondary studies, even if you already have a high school study permit. [uab.ca/studypermit](https://uab.ca/studypermit)

### ENGLISH LANGUAGE PROFICIENCY

You must possess the required level of English Language Proficiency (ELP) in order to be granted admission (except for French-language programs, which require FLP). There are several ways to demonstrate ELP. [uab.ca/languagereqs](https://uab.ca/languagereqs)
