A Community That Keeps on Giving

Welcome to the University of Alberta alumni volunteer program!

First, let me say thank you for volunteering. Your time is valuable, and you've decided to give up some of it to help others in the U of A community and beyond thrive.

Whether there's a specific cause that drew you in or you're just looking to get involved and stay connected to your fellow grads, we're grateful for your time, energy and talents.

Volunteering is a commitment, but it's also a lot of fun. You get to meet new people, build life-long connections, develop skills for your career and grow your self-confidence, all while making a difference in the lives of others. You get just as much as you give — sometimes more. Plus, it feels good to know you're lending a helping hand when it's needed.

The University of Alberta is more than just a school. It's a community. And with more than 300,000 grads all over the world, it has a far reach. If we continue to give back, to act in service of the public good and to uplift others, we can make a big impact.

Thank you for investing in your community. You're going to love it!

About the Office of Alumni Relations

The Alumni Association is a volunteer, not-for-profit association that keeps alumni connected to the University of Alberta long after graduation. It helps them stay in touch through events, networking and volunteering, online newsletters and a free subscription to *New Trail* magazine. All alumni of the U of A automatically become lifetime, free members of the association when they graduate.

The Alumni Association is represented by the Alumni Council, which is comprised of volunteers. This group works interdependently with the Office of Alumni Relations, which is comprised of paid staff of the University of Alberta. The staff receive direction from the association on priorities and policies and carry out the work of connecting with and offering benefits to alumni.

The staff members of the Office of Alumni Relations are led by the executive director of Alumni Relations. There are about 25 full-time positions in the Office of Alumni Relations that work with alumni through the many programs it offers.

Funds to support the Alumni Association come from its revenue-generating programs, such as degree-frame sales, the Alumni Travel Program and affinity partnerships with various companies offering alumni benefits.

OUR VISION OF THE FUTURE

A proud and inspired community of alumni and students, positively influencing the success of the university.

THE MISSION WE PURSUE

To engage university alumni and students in building the success of one of the world's great universities for the public good by positively extending the university experience beyond graduation.

PROMISE

The University of Alberta Alumni Association promises to provide alumni with a sense of community and belonging for the purpose of keeping them emotionally connected and actively engaged with the university throughout their lives.

Alumni Volunteer Program Overview

WHY VOLUNTEER WITH ALUMNI RELATIONS?

The Alumni Association was formed in 1915 by a group of alumni volunteers who came together with a belief in their shared values and university experience. They wanted to contribute more to the world and believed they could do so by coming together as a community. They aimed to build on the spirit of university founder Henry Marshall Tory, who said great things are bound to happen. Through our volunteer program, we endeavour to honour and promote this tradition by doing great things.

Do you have to be a U of A graduate to volunteer? No! While the majority of our volunteers happen to be U of A alumni, we welcome everyone.

CAMPUS PARTNERS

Volunteer opportunities are provided through the Office of Alumni Relations' own programs and events. However, volunteer opportunities are also offered in conjunction with many organizations and student groups on campus, such as the Campus Food Bank and Healthy Campus Unit. While we promote opportunities on behalf of these groups to our alumni volunteers, it is important to remember that we are not usually involved in the planning or execution of these events. Therefore, we have very little control over the volunteer experience. We encourage you to contact us if you have any concerns while volunteering with a campus partner.

“Volunteering has had a profound impact on my life. It has given me a feeling of accomplishment, self-worth and satisfaction that I have helped others.”

HEATHER RENAUD,

What to Expect as a Volunteer

TIME COMMITMENT

Volunteering with us is a flexible and easy way to give back to the U of A. There is no weekly or monthly schedule to commit to; you simply sign up for events and activities as they fit your schedule. Shifts are an average length of three to four hours, but this varies with each opportunity.

Without your help, we would not be able to provide many of our alumni events. In appreciation of your time and efforts, we will do our best to provide you with an exciting and rewarding volunteer experience. In return, we ask that you please honour your volunteer commitment, except in exceptional circumstances, or provide reasonable notice so that alternative arrangements can be made.

ONLINE VOLUNTEER PORTAL

To find everything you need to start volunteering, sign up for our volunteer portal hosted on the Galaxy Digital online platform.

- Browse volunteer programs
- Sign up for opportunities based on location date or interest
- Participate in campus or regional chapter volunteer activities and events
- Check-in for volunteer shifts
- Track your volunteer hours
- RSVP to volunteer appreciation events
- Receive updates and volunteer communications

The platform is free and easy to use on all devices anytime.

If you need to cancel a volunteer shift, please inform the opportunity lead as soon as you know you will not be able to make it. Preferably, try to give at least 24 hours notice. However, provide notice as soon as possible as this will give us time to find a replacement.

We encourage volunteers to bring a friend or family member along to volunteer when appropriate. Some opportunities have age or other restrictions that will require all volunteers to be prescreened. Sometimes, all of our positions may already be full. If you would like to bring someone along for your shift, contact us beforehand to ask if they can accompany you.

BREAKS

For shifts that are three hours or longer, all volunteers will be provided with at least one 15-minute break. Depending on the event, we may provide refreshments, a snack or a meal. If so, this will be communicated in an email confirmation prior to your shift.

If you have any allergies or dietary restrictions, please let us know and we will do our best to accommodate. Feel free to bring your own snacks and water to events as needed.

COMMUNICATION

Volunteer opportunities will be communicated on the online volunteer portal and in our monthly digital newsletter, from which you can unsubscribe anytime.

Shift confirmations with specific details about your volunteer role (e.g., parking information, dress code, role descriptions, etc.) will be emailed to you at least one week prior to your shift. Following some events, we will send a brief survey asking for feedback about your volunteer experience.

Our volunteer opportunities are regularly updated on the volunteer portal, and you are encouraged to check there for the most up-to-date information on upcoming events.

Contact information is located on the back page of this manual, on our website and at the bottom of each newsletter. We encourage volunteers to contact us at any time with issues, concerns, feedback or just to say “hi.”

PARKING AND TRANSPORTATION

Whenever possible, we will provide complimentary parking to volunteers at our events. We cannot guarantee this for all events, but will inform you ahead of time when it is available. Procedures for

complimentary parking will be communicated in an email confirmation prior to your shift.

In an effort to reduce the environmental impact of our events, volunteers are encouraged to take sustainable modes of transportation (public transit, cycling, walking or carpooling) to their volunteer shifts.

TRAINING AND ORIENTATION

The majority of our volunteer opportunities will provide role-specific training on-site before the event starts. Time is scheduled before each event to allow for training. Occasionally, large events may require pre-training. This will be in the form of a group orientation or volunteer manual emailed prior to the event. All volunteer opportunities will have an event lead readily available to answer questions and help throughout your shift.

PHOTO RELEASE

Photos will be taken at the majority of our events. These photos may be posted on social media or used in our communications. By attending these events, you agree to have your photo taken. If you do not consent to having your photo taken, please inform us prior to the event.

Volunteer Recognition

We are always grateful for the dedication and support that our volunteers provide to the Alumni Association. So much would not be possible without your assistance,

“Having the opportunity to volunteer is totally rewarding. It allows me to have a real sense of contributing to the success of the next generation as they go forward.”

NORM GREENWOOD,
'71 BCom

and we strive to show our thanks in a variety of ways. We will often give volunteers a token of appreciation, ranging from alumni swag to professional development opportunities, and everything in between.

PROFESSIONAL DEVELOPMENT

We value assisting our volunteers with their professional and personal growth. As such, we try to offer professional and/or personal development opportunities at various times throughout the year. These may take the form of self-paced webinars, panel discussions, workshops, seminars, summits, inspirational speakers and so forth. These events are offered free or at a discount to our volunteers and may be made available to the public for a nominal fee.

VOLUNTEER SOCIALS

While professional development is important, we value having fun, too! Volunteer socials are great networking opportunities for you to meet other alumni and get to know your fellow volunteers. Examples of past socials include volunteer and family barbecues, Golden Bears hockey games, paint nights and more.

DISCOUNTED EVENT TICKETS

Active volunteers (who have volunteered at least once in the past year) have the opportunity to get discounted tickets to select alumni events, such as the popular Educated Luncheon series. There will be a limited number of discounted tickets offered to volunteers, and they will be advertised in the digital newsletter when they are available.

LETTERS OF RECOMMENDATION

Upon request, we are able to provide letters of recommendation for long-term volunteers and confirmation letters of volunteer commitment for all other volunteers.

VOLUNTEER AWARD NOMINATIONS

Volunteers may be nominated for an Alumni Service Award, which recognizes alumni who have demonstrated an extraordinary level of commitment, dedication and volunteer service to the University of Alberta. Up to three Alumni Service Awards are given out every year at an annual awards ceremony.

BOOKSTORE BUCKS

Alumni volunteers have the option of redeeming volunteer time worked for Bookstore Bucks once they have accumulated a minimum of 10 volunteer hours. Hours can then be “cashed out” for a gift card redeemable for merchandise at the University of Alberta Bookstore (in-person or online).

Personnel Policies

VOLUNTEER CODE OF CONDUCT

While volunteering, you are acting as a representative of the Office of Alumni Relations and the University of Alberta. As such, we expect all of our volunteers to behave in an appropriate, professional and respectful manner. In addition, we expect all volunteers to:

- Treat everyone, including staff, fellow volunteers and event guests, with dignity and respect.
- Disclose to the Office of Alumni Relations any situations in which personal interests conflict or may conflict with volunteer duties.
- Never use the alumni volunteer status for personal gain.

Failure to do so may be grounds for volunteer dismissal.

DRESS CODE

The dress code varies from event to event. You wouldn't necessarily wear the same thing to a tree planting event that you would wear to job shadow week. Most of our events are casual, but specific dress codes will be communicated by email prior to your shift.

At most of our events and many of our campus partner events, we expect volunteers to wear a "Do Great Things" smock, which will be provided and must be returned.

Volunteers will also be asked to wear name tags at most events. These will be provided by the Office of

Alumni Relations and will display your name and often your degree/graduation year, if applicable.

RESIGNATION AND DISMISSAL POLICIES

Volunteers are free to resign from their role with the Alumni Association at any time. We would greatly appreciate if you notify us by email that you are no longer interested in volunteering. We will then be sure to remove you from upcoming communications.

Dismissal of a volunteer will occur only as a last resort and will generally take place following progressive disciplinary actions, where possible. Grounds for volunteer dismissal may include, but are not limited to: missing more than one volunteer shift without notice; illegal, violent or unsafe acts; failure to abide by university policies and procedures; gross misconduct; theft of property or misuse of university funds, equipment or materials; or being under the influence of drugs or alcohol while performing volunteer duties. Immediate dismissal of a volunteer may occur in extreme cases.

GRIEVANCE PROCEDURES

The Office of Alumni Relations recognizes that volunteers have the right to raise grievances about any matter related to their volunteer experience. This could be in relation to another volunteer, a member of the paid staff or the manner in which they are being treated by the Office of Alumni Relations. The grievance procedure is in place to ensure that all grievances are dealt with in a fair manner.

If a volunteer has a complaint against a member of staff, another volunteer or the Alumni Association in general,

we encourage them to first discuss this with the volunteer co-ordinator.

If the volunteer co-ordinator is the person against whom the complaint is lodged or the volunteer does not feel comfortable bringing up their complaint with the co-ordinator, then the matter should be referred to the director of alumni programs. If the matter is not resolved at this point, the complaint should be made in writing to the executive director of Alumni Relations. In all cases, the matter will be dealt with in a timely manner and treated confidentially.

ACCESSIBILITY AND INCLUSIVITY

The University of Alberta is enriched by diversity, and it welcomes and seeks to include many voices, including those that have been under-represented or excluded. As such, the Office of Alumni Relations is committed to an environment that is free of discrimination and harassment. Our legal and ethical responsibilities include the duty to accommodate and the provision of opportunities to persons who require accommodation based on protected grounds.

Insurance, Liability, Screening and Safety

SCREENING POLICIES

Screening practices will align with the level of risk associated with volunteer roles. You may be asked to sign a waiver and/or confidentiality agreement for certain events. Some events will require prescreening criteria such as age restrictions, physical requirements

“I cannot describe the personal growth I have gone through by volunteering. Ultimately, it makes you a well-rounded person.”

HAROLD PANG,
'12 BSc, '14 BScN

or experience in a given field of study or work. Although rare, some volunteer opportunities will require a police information check.

WAIVERS

Volunteers will be expected to sign a Volunteer Registration and Waiver of Liability prior to volunteering with the Office of Alumni Relations.

INSURANCE AND LIABILITY

As a volunteer, while properly carrying out your volunteer responsibilities, you are insured under the university's general liability insurance policy against legal liability claims from third parties for property damages, bodily injury and personal injury, as long as you have not willfully, maliciously or intentionally caused harm. All volunteers at the university are also covered by the Workers' Compensation Board, while properly carrying out their volunteer role.

The university does not insure and is not responsible for any damage to personal vehicles and/or personal property.

PRIVACY POLICY

The Office of the Vice-President (External Relations), which includes the Office of Alumni Relations, collects information on behalf of the University of Alberta, its faculties and its Alumni Association, under the authority of Section 33(c) of the Alberta Freedom of Information and Protection of Privacy Act, for the purposes of administering alumni relations and development programs for the University of Alberta. Any information submitted by an individual to the Office of the Vice-President (External Relations), including through an associated website or by email, may be used to update that individual's record.

Information gathered for the above purposes will be protected and used in compliance with Alberta's Freedom of Information and Protection of Privacy Act. Individuals who submit information to the Office of Advancement acknowledge the above and the collection of personal information.

At certain events, volunteers may have access to personal information (for example, on a sign-in sheet) and will be required to sign a Confidentiality Agreement before their shift.

SAFETY AND EMERGENCY PROCEDURES

At events, you will be briefed on the nearest fire exits, muster point and what to do in case of an emergency. At each of our Alumni Association events, there will be at least one staff member trained in first aid/CPR and the nearest first aid kit/station will be pointed out for you.

In case of an emergency at an event, please call 911 and inform the nearest staff member of the issue as soon as possible.

Some events may require further safety procedures that will be detailed on-site at your shift.

OTHER VOLUNTEER OPPORTUNITIES

Campus chapters create connections between the university and alumni groups, and provide networking, educational and social opportunities for their members. Each campus chapter consists of alumni from a specific faculty, department or special-interest group. Some examples of current campus chapters include Dental Hygiene, Golden Bears and Pandas, Mixed Chorus and Pride alumni chapters.

Regional chapters provide an opportunity for alumni living outside of Edmonton to connect with fellow alumni in their area. There are 19 active regional chapters throughout the world, including Canada, China, England, Japan, Korea, Singapore and the United States.

Class organizers are volunteers who make Alumni Weekend a success by encouraging their classmates to join the fun. Class organizers are the contact people for a graduating class and act as liaisons with the Office of Alumni Relations and/or their faculty.

ThresholdImpact University of Alberta Venture Mentoring Service (VMS) pairs entrepreneurs with volunteer alumni mentors who are experienced in business development. VMS creates exciting opportunities for passionate student and alumni entrepreneurs to connect with experienced mentors to inspire, engage and learn.

Alumni Council is the governing body of the Alumni Association, which represents the alumni constituency by providing advice, writing policy and influencing programming. Alumni Council works closely with the University of Alberta to strengthen the relationship alumni have with their alma mater and with each other. All members are elected volunteers and serve without financial remuneration.

The Alumni Student Support and Engagement Team (ASSET) recruits alumni volunteers who are passionate about mental health and well-being. These volunteers receive specialized training and help with a variety of student support roles, often in partnership with the Office of the Dean of Students.
