

Joffre Elyse Dodge

Hello everyone,

I'm writing this at the start of the heatwave, so here's a "cool" image for those of us who aren't at a lake! I hope you have an opportunity for rest and recuperation over the summer. We could probably have an animated discussion about whether medicine is a career, a calling, a bit of both or none of the above. After more than 40 years of Whatever It Is I plan to retire on June 30 2022! Sue's News will retire with me. Until then the newsletter will include some thoughts from the last four decades, along with my real time experience during this final year of practice. Plus lots and lots of jokes!

**And don't forget to have art in your life - music, paintings, theatre, dance and sunsets.**

Don't look at me. Don't talk to me. See what happens if you ask me what the blood pressure is.

I like this room,  
I like that surgeon.  
Sure, we can talk about your 6 summer homes.  
That sounds fine.

a great therapist!  
Thank you PFSP.

Medieval artist: From the.. front?

Patron: Right. You know how to draw horses from the front, right?

Artist: Y-yeah, totally.
