

Co-design Beyond Pandemics

Transparency and Design

This is the third webinar in a series titled: *Co-design Beyond Pandemics*.

Katie Dainty, North York General Hospital, **Damyen Henderson**, University of Toronto, **Maria Cheung**, Taboo Health, Founder and Creative Director, **Joe Langley**, Lab4Living, UK will briefly share their learning and practice-based experiences on transparency in the design process during the pandemic (e.g., methods, techniques, and tools).

The discussion will include strategies that have been used to promote transparency in different knowledge exchange platforms particularly with marginalized groups. Through these presentations, the session aims to provide a learning exchange opportunity for individuals and groups who are actively involved in co-design.
