

Category	Preferred Option	Example Photos
Clamshell Containers	Certified 100% Compostable e.g. fibre-based, bagasse	
Soup Bowls	Certified 100% Compostable e.g. fibre-based, bagasse	
Plates	Certified 100% Compostable e.g. fibre-based, bagasse	
Coffee Cups (hot cups)	Certified 100% Compostable <b>NOTE:</b> usually these are lined with compostable PLA lining	
Pop Cups (cold cups) <b>NOTE:</b> our recommended choice for cold drinks is bottles & cans. If selling fountain drinks, follow this guide.	Certified 100% Compostable <b>OR</b> Recyclable Plastic  PETE HDPE LDPE PP	
Lids (for all items)	Certified 100% Compostable <b>OR</b> Recyclable Plastic  PETE HDPE LDPE PP	
Cutlery	Recyclable Plastic  PETE HDPE LDPE PP	
Condiments	Bulk condiments are preferred. <b>NOTE:</b> if required, cups for dips should be compostable or recyclable	

**TIP:** Look for 100% Compostable, certified by BPI: [www.bpiworld.org](http://www.bpiworld.org)

**TIP:** These types of plastic are acceptable for recycling in Edmonton (#s 1, 2, 4 and 5).
