Tactics for Working Anyway

Re-imagining and Re-engaging in Academic Prose

Thursday, April 14, 2022

3:00-4:30PM

email zivkovic@ualberta.ca for the Zoom link

Dr. Pesmen will critique default imagery related to writing academic prose and examine tools that can be used not only to generate more compelling work, but to help take one's thought processes beyond even important initial observations. She will offer some devices that may help navigate out of a “stuck” or “blocked” condition in both thought and writing.
