Disclaimer

I understand that should I be granted the waiver of prerequisite, the burden is on me to do whatever additional work is necessary to fill in any gaps in my knowledge to keep pace with the class, complete assignments, etc. I also recognize that the instructor is under no obligation to modify or expand upon course content to help me make up this deficit, and that this deficit may adversely affect my grades in the course.

I am entitled only to such out-of-classroom assistance as would normally accrue to any student who meets the course prerequisites and I am not entitled to any remedial tutorial work from the instructor, the TAs for this course, the Department of Linguistics, or my fellow students.
