# Celebrating 100 YEARS

## Department of Medicine

a century of excellence in education, research, and clinical care

## FRIDAY – NOVEMBER 1ST, 2024

### 08:00 - 14:00 - Day of Discovery - Bernard Snell Hall & BSH Lower Foyer Presentations

Join us for a day of discovery as we journey through a century of medical innovation.

Step into the Department's history through presentations and displays highlighting pivotal milestones, breakthroughs, and influential figures who have shaped our journey across a century and chart a course towards continued excellence in research, education, and clinical care.

### Discovery Expo Interactive Booths - Lunch included

Embark on an inspiring journey of exploration and discovery as we celebrate our legacy. Visit display booths to learn more about their role in the shaping of our current Department of Medicine.

#### Who Should Attend the Day of Discovery?

The Day of Discovery is designed for everyone within the Department of Medicine, including faculty, researchers, clinicians, staff, trainees, and our valued collaborators and partners. It's an opportunity to explore the groundbreaking work happening across our divisions, engage with colleagues, learn from leaders in the field, and discover new directions for future innovation.

Please mark your calendar for this event and plan to join us for the entire day or as your schedule allows, so you can fully immerse yourself in this unique celebration of our past achievements and future aspirations.

### 18:00 - 23:00 - Black Tie - 100 Years Celebration Gala Dinner Edmonton Convention Centre - HALL D

#### Dinner

Join us for an unforgettable black-tie gala dinner as we celebrate the remarkable achievements and milestones of the Department of Medicine over the past century. From groundbreaking research to transformative patient-care initiatives, we'll honour the collective contributions that have shaped our department's legacy of excellence.

We'll look ahead to the future of medicine as we share our vision and aspirations for the next century. Hear from departmental leaders, faculty members, and distinguished guests as we chart a course for continued innovation, collaboration, and impact in healthcare.

### Music and dancing with the musical talents of department members

Finish the night with an unforgettable musical experience with a live band performance featuring talented (past and present) members of the Department of Medicine.

Enjoy an evening of entertainment and camaraderie as our colleagues showcase their musical talents and add to the festive atmosphere of the gala.

#### Who Should Attend the Black Tie Gala Dinner?

The Gala Dinner is open to all members of the Department of Medicine, alumni, partners, and supporters. Whether you're a faculty member, researcher, clinician, staff, or guest, we invite you to join us in celebrating 100 years of medical excellence, innovation, and community.

It's for anyone who wants to honour our shared history, connect with colleagues, and look ahead to a bright future in medicine.
