Grad Student Orientation Electrical and Computer Engineering

Dana Ouellette

UNIVERSITY OF ALBERTA

Engineering Librarian

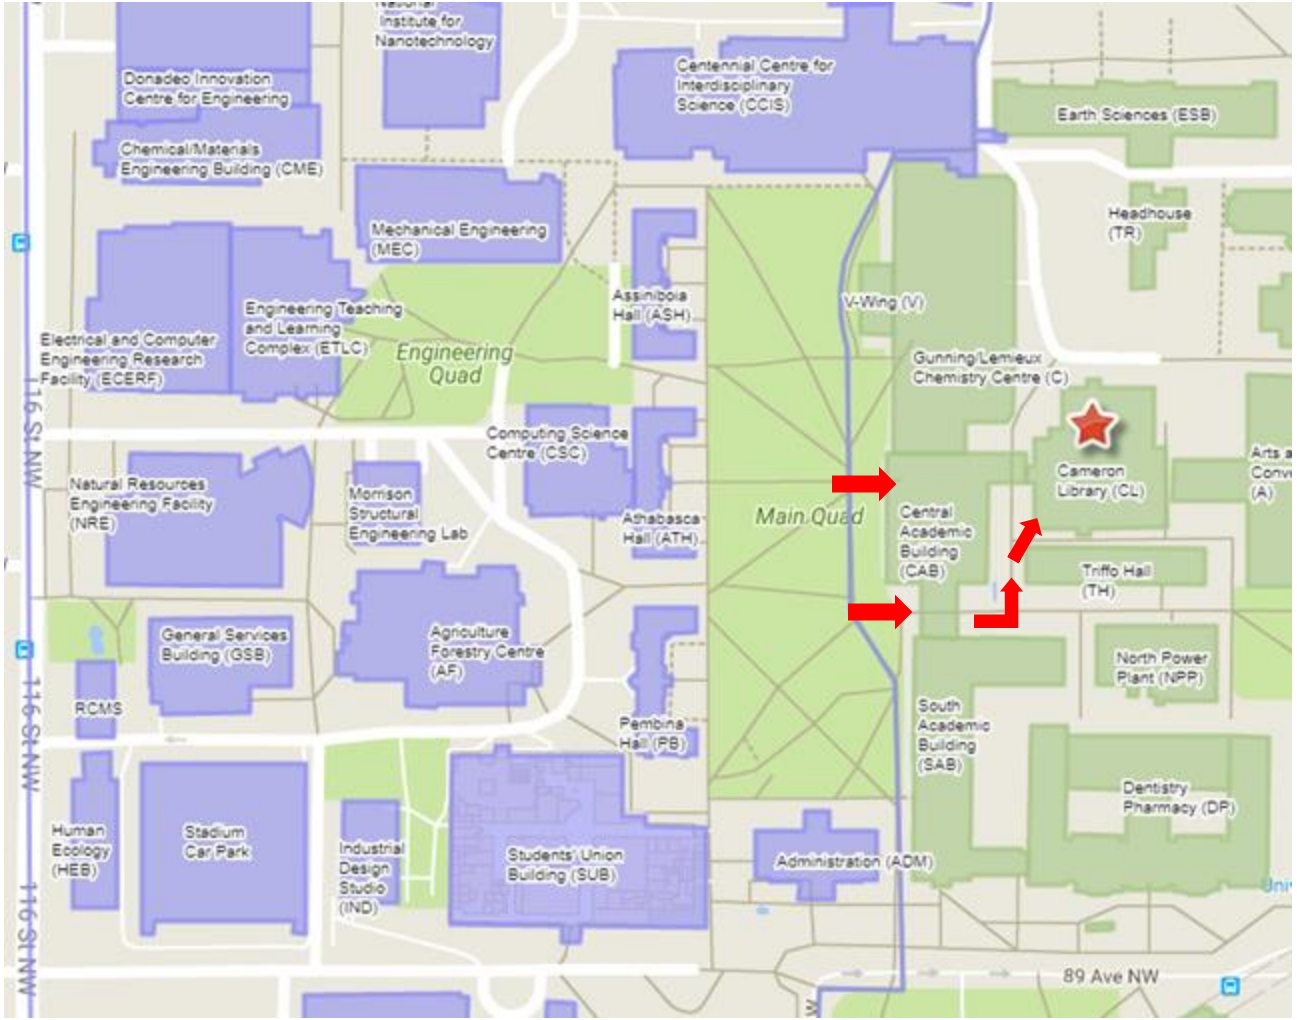
Dana Ouellette (He/Him)
MA, MLIS

Subject Librarian for Electrical & Computer Engineering, Mechanical Engineering, Biomedical Engineering & Engineering Management

UNIVERSITY OF ALBERTA

About the Library

- **What we do**: Help our community create, find, use, and analyze a wide array of information and data
- **Who we are:** Information services specialists, Subject librarians, and many other people
- **Our locations:** Conversation spaces, quiet spaces, bookable study rooms
- **Our collection:** Journal articles, encyclopedias, handbooks, standards,data sets, and much more



Institute for Nanotechnology
Donadeo Innovation Centre for Engineering
Centennial Centre for Interdisciplinary Science (CCIS)
Earth Sciences (ESB)
Chemical/Materials Engineering Building (CME)
Mechanical Engineering (MEC)
Headhouse (TR)
Assiniboia Hall (ASH)
V-Wing (V)
Engineering Teaching and Learning Complex (ETLC)
Electrical and Computer Engineering Research Facility (ECERF)
Engineering Quad
Gunning/Lemieux Chemistry Centre (C)
Computing Science Centre (CSC)
Cameron Library (CL)
Natural Resources Engineering Facility (NRE)
Morrison Structural Engineering Lab
Athabasca Hall (ATH)
Main Quad
Central Academic Building (CAB)
Triffo Hall (TH)
General Services Building (GSB)
Agriculture Forestry Centre (AF)
North Power Plant (NPP)
RCMS
Pembina Hall (PB)
South Academic Building (SAB)
Dentistry Pharmacy (DP)
Human Ecology (HEB)
Stadium Car Park
Industrial Design Studio (IND)
Students' Union Building (SUB)
Administration (ADM)
116 St NW
89 Ave NW

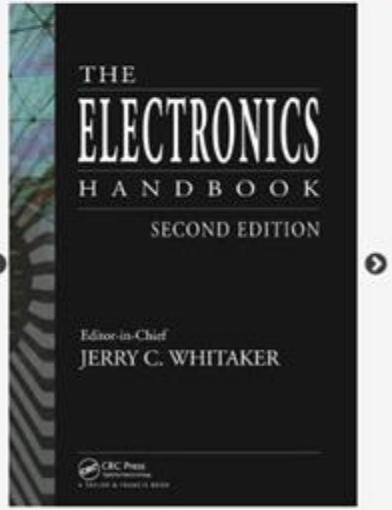
Important Reference Books



Finding Articles - Try These Databases First

- IEEE Xplore
  Full-text access to IEEE, IEE, and IET transactions, journals, conference proceedings, and ebooks.
- ACM Digital Library
  ACM Digital Library provides the full-text to ACM journals, magazines, conference proceedings, and e-books, and includes an online archive from 1950s and forward.
- Web of Science - All Databases
  The Web of Science platform provides online access to their core Citation Indexes, and also hosts a number of subject-specific databases.
- Compendex
  International coverage from 1884-present of all fields of engineering.
  more...
- SPIE Digital Library
  Fulltext of journals and conference proceedings from the SPIE (International Society for Optical Engineering).
- Inspec Archive (1898-1968)
  Indexes articles on electrical engineering and electronics, computers and control engineering, and physics.
- Complete List of Electrical Engineering Databases
- Complete List of Computer Engineering Databases

Library Services

- **Ask Us!** Get search help in person or via chat
- **Research Consultation** with a librarian
- Librarian in Resident (Office Hours DICE 10-391 Thurs 1pm-2pm)
- DSC - **3D printing,** visualization, VR, **high capacity computers** for large data sets.
- Libguides - suggestions to help you start your research in any subject

Library Services

- Inter-Library Loan (ILL) - If UofA does not have access to an article **DON'T PA**Y for it yourself!
- Article Process Charges (APCs) -If you are are publishing and want to make your article open access check
- ERA **-** Institutional archive and repository (those on the thesis route will be required to submit)
- Book Group study spaces
- **And much more…**
