

UNIVERSITY OF ALBERTA
Department of Electrical and Computer Engineering

Ph. D. Supervisory Committee

This form must be completed and submitted to Selina Ertman by the end of the first year of the PhD program.

For thesis-based programs, the **supervisor** is chosen at the time of acceptance of the student into the program. The **supervisory committee** must be appointed by the end of the first year of the PhD program. In some cases, there may be more than one supervisor. In such cases, the co-supervisors count as two members of the supervisory committee and oral examination committee.

The **Ph.D.** supervisory committee consists of the student's supervisor or supervisors, and one or two other professor(s) normally chosen from the Department. The supervisory committee is required to meet at least once a year with the student to assess progress on the program.
