

NORTHERN AWARDS

Supervisor's Evaluation Form

Note to the Supervisor: The information you provide on this evaluation is especially important for adjudication of the proposal in the competition (UofA Northern Awards and NSTP). Your evaluation will also be used by the adjudication committee to nominate a candidate for NSTP's three special awards. Please provide an evaluation of the student as well as the project. Focus comments on the quality of the research, the training component of the project, how the fieldwork relates to the student's studies, and how they will benefit from the experience. Also indicate if any support is provided to the student/project from you and/or the Department.
