

CANOROCK

STEP PHD SCHOOL 2016

JULY 04 - JULY 14, 2016
BARRIER LAKE STATION
KANANASKIS, CANADA

Do YOU have what it takes?

This course provides specialist training in space science as well as hands-on experience in data analysis. And did we mention that we will write a leading edge scientific paper in ten days?

Only students enrolled at one of the partner institutions (Alberta, Calgary, Saskatchewan, Bergen, Tromsø, Oslo, University Centre in Svalbard) may apply.

Please send your application (CV and a short description of your research interests) to

Lasse Clausen (lasse.clausen@fys.uio.no) if you are in Norway
Ian Mann (imann@ualberta.ca) if you are in Canada

The application deadline is February 3rd 2016

UiO : University of Oslo
