

How to find courses at TUM in general?

The TUM course catalogue can be found here: <https://campus.tum.de/tumonline/webnav.ini>

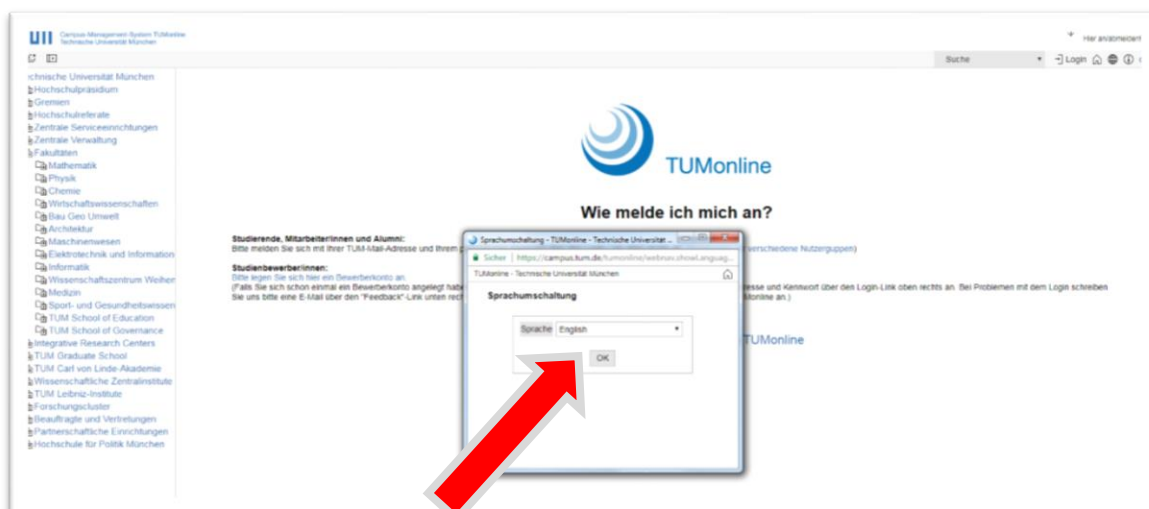

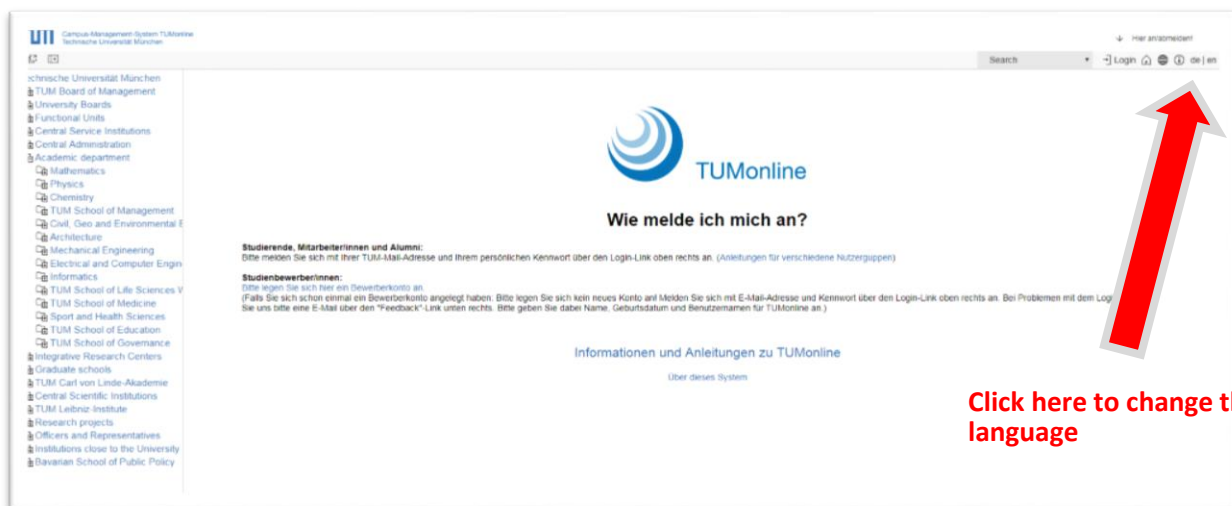

IMPORTANT: Please **DO NOT** register in TUMonline yourself! **Only use TUMonline without registering to look for courses!** TUM will take care of all exchange students' registration later (once you have been accepted).

This description is for finding courses in general. If you want to search for courses in a specific department, please see the other pdf about "How to find courses at TUM in a specific department?".

Important information:

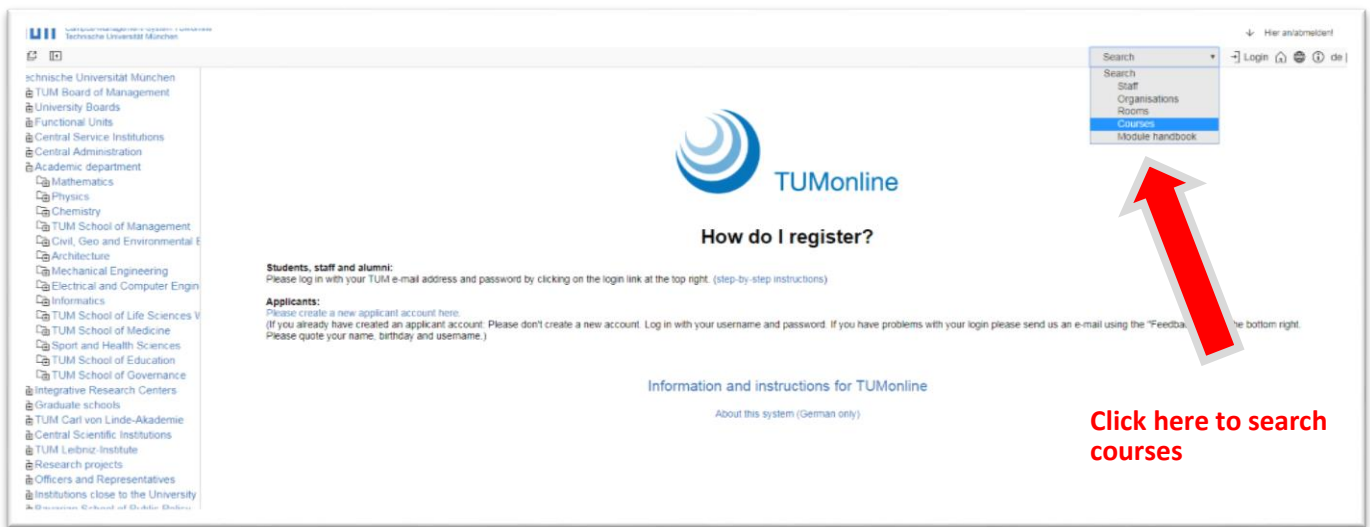

- If the course title/description is written in English, does that mean that the course is taught in English? → No! Please check the course language within the course description!
- 60% of your courses need to be in the TUM department you were nominated for.
- Fill in your Learning Agreement / Study Plan:
 - ECTS: Not found / not mentioned? Write complete course name / course ID.
 - Write the course names exactly in the way that you found them on TUMonline.
 - Fill out by typing, no handwritten versions.

Find the english page for your course search:

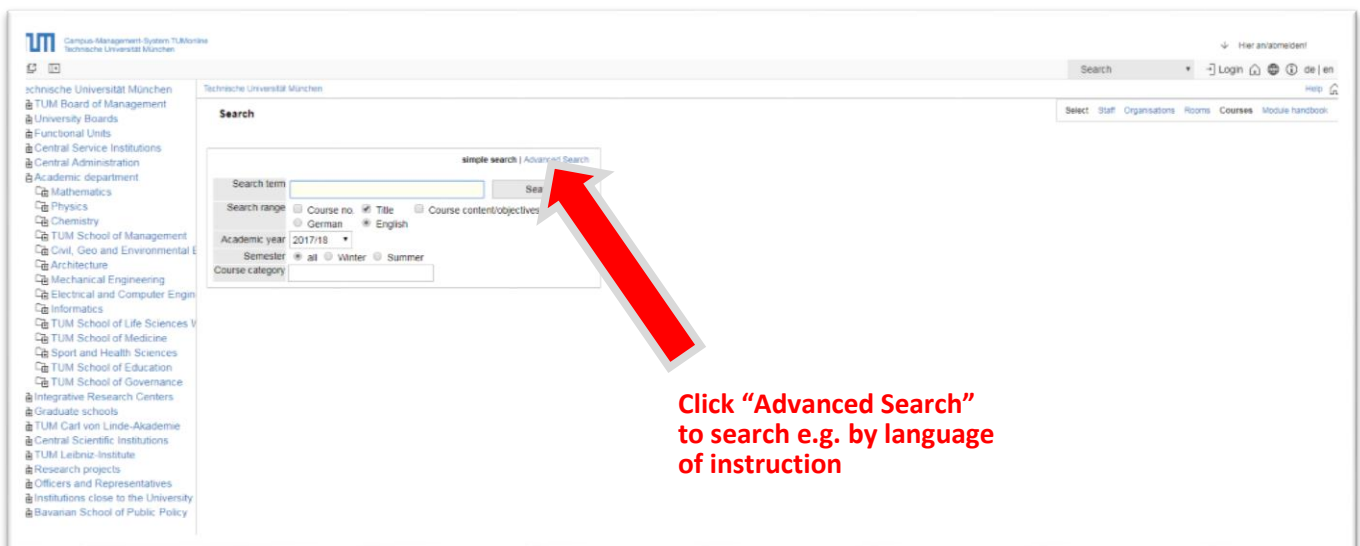

Select "English" and click "ok"

Start searching for courses:

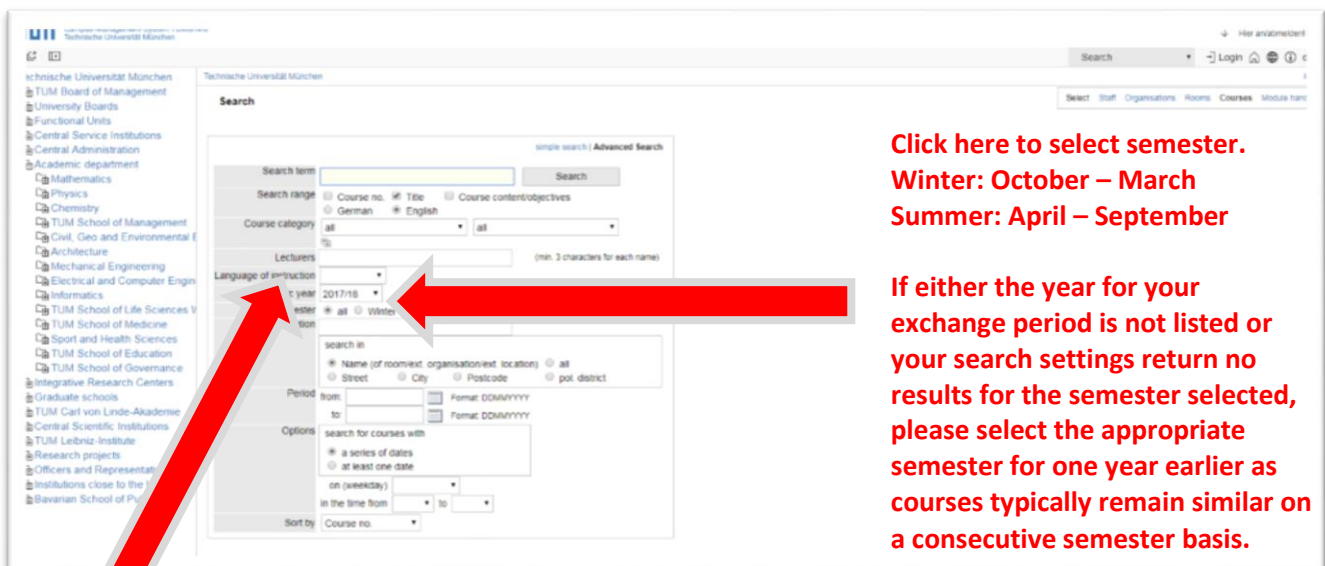

The screenshot shows the TUMonline homepage. A search dropdown menu is open in the top right corner, with 'Courses' highlighted. A red arrow points from the text 'Click here to search courses' to the 'Courses' option. The page title is 'How do I register?' and it includes sections for 'Students, staff and alumni' and 'Applicants'.

Click here to search courses

The screenshot shows the search interface. The 'Advanced Search' link is highlighted with a red arrow. The search form includes fields for 'Search term', 'Search range', 'Academic year', and 'Semester'. A red arrow points from the text 'Click "Advanced Search" to search e.g. by language of instruction' to the 'Advanced Search' link.

Click "Advanced Search" to search e.g. by language of instruction

The screenshot shows the search interface with the 'Language of instruction' dropdown highlighted. A red arrow points from the text 'Click here to select semester. Winter: October – March Summer: April – September' to the 'Language of instruction' dropdown. Another red arrow points from the text 'If either the year for your exchange period is not listed or your search settings return no results for the semester selected, please select the appropriate semester for one year earlier as courses typically remain similar on a consecutive semester basis.' to the 'Academic year' dropdown.

Click here to select semester.
Winter: October – March
Summer: April – September

If either the year for your exchange period is not listed or your search settings return no results for the semester selected, please select the appropriate semester for one year earlier as courses typically remain similar on a consecutive semester basis.
