

THE UNIVERSITY OF ALBERTA'S FACULTY OF MEDICINE & DENTISTRY IS PROUD TO PRESENT:

Science IN THE Cinema

ASK A HEALTH RESEARCHER: IS IT SCIENCE OR FICTION?

Death is But a Dream (2021)

A documentary about a hospice physician whose daily encounters with death reveal an unexpected tapestry of life, love, and profound healing. This film explores the extraordinary journey of dying, as revealed through the dreams and stories of terminally ill hospice patients. *"A film of comfort, hope, and a genuinely uplifting look at death."*

Edmonton

The Faculty of Medicine & Dentistry's **Science in the Cinema** is proud to partner with the John Dossetor Health Ethics Centre to launch the **Death Matters: A Public Dialogue Series** with this debut film screening. Funding from the Kule Institute for Advanced Studies and a generous donation have made this event possible.
