

HEALTH ETHICS SEMINAR

2021-
2022
SERIES

In collaboration with John Dossetor Health Ethics Centre and Office of Equity, Diversity & Inclusion, Faculty of Medicine & Dentistry

In 2021-2022 the EDI symposium will take the form of a longitudinal series of events. In collaboration with the John Dossetor Health Ethics Centre and the Office of EDI FoMD, lunchtime talks (noon-1) on racism and anti-racism are being continuously scheduled. This is the second presentation for 2021-2022.

After listening to an account of a racist patient-involved encounter, we will reflect on how racism impacts those around us and what emotions it may evoke. After some discussion of anti-racism and bystander intervention, we can perhaps move closer towards wholly integrated and natural personal action(s) as an anti-racist.
