HEALTH ETHICS SEMINAR

NAVIGATING SLIPPERY SLOPES IN REALMS OF ETHICAL UNCERTAINTY

Gary Goldsand, MA

Ethicist, Regina and Integrated Rural Health Saskatchewan Health Authority;
Assistant Clinical Professor, John Dossetor Health Ethics Centre, University of Alberta

Thursday, 14 April 2022

12:00 - 13:00 MDT

WEBINAR Presentation via Zoom application

[Click to Register for Zoom](#)

In our current examination of issues in health ethics, such as abortion, euthanasia, and genetic engineering, are slippery slope considerations useful and informative? I'll review the history, nature and effect of slippery slope arguments in discussions of such issues, and suggest that awareness of these stands to improve the quality of decision-making at the bedside, and in policy development.
