HEALTH ETHICS SEMINAR

Magical Thinking: How Emotions Impact Decision-Making, Capacity, and Patient Autonomy

Sarah K. Andersen, MD, MS, FRCPC

Assistant Professor, Department of Critical Care Medicine and
Adjunct Assistant Professor, John Dossetor Health Ethics Centre,
Faculty of Medicine & Dentistry, University of Alberta

Thursday, 23 May 2024

12:00 - 13:00 MDT

WEBINAR Presentation via Zoom application

[Click to Register](#)

Objectives:

- To describe how emotions impact decision-making, using evidence from the fields of behavioral science and psychology.
- To highlight situations where emotion can impair decision-making capacity and patient autonomy.
- To explore strategies that enhance patient autonomy and decision-making capacity in the face of concretized emotions.

More information: please call 780-492-6676, e-mail dossetor.centre@ualberta.ca or visit [Dossetor Centre website](#).
