Thursday, 16 January 2025

12:00 - 13:00 MST

WEBINAR Presentation via Zoom application

[Register for Zoom](#)

Objectives:

At the end of this session you will be able to:

- a. Articulate the potential roles for short-acting opioids in acute care settings when caring for people with opioid use disorder.
- b. Discuss the ethical arguments that surround the use of short-acting opioids for people with opioid use disorder.

More information: please call 780-492-6676, e-mail dossetor.centre@ualberta.ca or visit [Dossetor Centre website](#)
