2025
SERIES

Freedom of Expression and Regulatory Reach in Health Care: An Ethics View

Eric Wasylenko, MD, CCFP (PC) retired, MHS (bioethics)
Associate Clinical Professor
John Dossetor Health Ethics Centre, University of Alberta

Thursday, 13 February 2025

12:00 - 13:00 MST

WEBINAR Presentation via Zoom application

[Click to Register](#)

In this seminar we will explore the balancing of freedom of expression and professional regulation in health disciplines, using the lens of ethics. We will address some of the philosophic underpinnings for protection of freedom of expression, and the objectives of professional regulation. Are there justifiable limits on freedoms to express personal views in clinicians' private and professional lives? A frame for managing potentially competing imperatives will be proposed.

More information: please call 780-492-6676, e-mail dossetor.centre@ualberta.ca or visit the [Dossetor Centre website](#).
