## LOCAL CULTURES PROJECT- OUR FAVOURITE STORIES

JELENA POGOSJAN, MARYNA CHERNYAVSKA,  
MARIA MAYERCHYK, MATTHIAS KALTENBRUNNER

Friday, April 9, 2021

12 NOON MST

Zoom registration: <http://bit.ly/3l3fMtb>

We will report on the 2019-2021 project that aimed to index and make accessible hundreds of interviews recorded in 2003-2005 with people who remembered life on the Prairies before 1939.

We will discuss tools and technologies used to make this large collection of audio accessible, and share our favourite stories found in the interviews, as well as how these interviews were used in the creation of an exhibit.
