

KULE FOLKLORE CENTRE IS EXCITED TO PRESENT

ANNA'S DREAM

co-authored by Maria Mayerchyk and Lesia Savedchuk and
illustrated by Lindsay Sorell.

Anna's Dream, a fully illustrated book for children from 2 to 92, is the story of a nine-year-old girl growing up on a farm in Western Canada in the 1930s. Her days, like those of all farm children, are filled with many chores, but her dream is to one day own a camera and take photographs. As we follow Anna through her daily routines at home and at school, we learn details of farm life in the 30s – and find out whether Anna's dream does indeed come true.

The book includes an insert with a copy of the text, which allows grandparents and aunts to read it to their child on Zoom while the young reader is following the illustrated story on the screen.

Anna's Dream makes a wonderful Christmas gift for any child curious about what their grandparents or great-grandparents experienced as a child.
