

A Reflection of Our Commitment & the Progress We Have Made Together : UASAC 2024

Partnering with our community to create a campus free of sexual and gender-based violence, guided by an intersectional, trauma-informed, and person-centered approach.

PEOPLE: STRENGTHENING OUR TEAM

Successful staff recruitment to meet growing needs.

Hosted a staff retreat to **foster collaboration and resilience.**

Expanded the psychological support team with an additional drop-in counselor:

- 2 part-time psychologists
- 1 mental health counselor
- 2 drop-in counselors

PERFORMANCE: SUPPORTING SURVIVORS

336 counseling sessions delivered.

Over 500 hours of counseling provided.

Supported **250+** clients this year.

Conducted

120

drop-in/crisis sessions.

Reduced wait times by 45% compared to 2023.

Even through challenges, our doors remained open, ensuring survivors always had a place to turn.

PLAN: REVITALIZATION

Actively actioning Possibility Seeds' 42 recommendations.

Newly formed steering committee and advisory group.

Reviewing 8 workstreams to structure and drive meaningful change.

Delivered our Psychoeducational 'Roots' group, **fostering growth and healing.**

Continuing to **revitalize** the centre to **better serve survivors.**

Several internal and external partner engagements.

Promoted transparency & engagement through **Verna's Vlog.**

Expanding inclusive services for all genders, sexualities, and backgrounds in English, French and Spanish.
