

**FACULTY WOMEN'S CLUB
WALKING GROUP SCHEDULE**

SEPTEMBER 2016–SEPTEMBER 2017

Walks begin at 10:00 am

We do not cancel and walk in all weathers. If the weather is very bad and you are uncertain, contact one or two of your fellow regular walkers (find their contact information in your directory or from previous emails) to confirm there will be more than one person walking. Very occasionally, when it is exceptionally cold and snowy or pouring with rain, we change the location to Kinsmen Centre, where we walk inside on the running track. Walkers are notified of such change by email, so check your email on very cold/wet mornings, or call one of your fellow walkers.
