

Graduate Program Regulation Selection Form Faculty of Medicine and Dentistry

The Faculty of Medicine and Dentistry has introduced new harmonized graduate program regulations, effective Fall 2024. Students who joined the Faculty before Fall 2024 may choose to follow either:

1. The graduate program regulations from the year they were admitted to their program, **or**
2. The new Fall 2024 regulations.

Important:

- Once you select a set of regulations, you must follow them for the duration of your program.
- You **cannot** switch between sets of regulations once a choice has been made.
