

Postgraduate Medical Education | Faculty of Medicine & Dentistry

STATEMENT OF CONFIDENTIALITY: COMPETENCE COMMITTEE MEETINGS AND REVIEWS

The Faculty of Medicine and Dentistry Postgraduate Medical Education (PGME) trainee Competence Committee reviews and deliberation are confidential. Communication about resident portfolio review and performance is strictly prohibited. Any breach of security must be reported to the training program.

Please read the statements below and indicate that you have done so with a ✓ and sign this sheet.

- If I have a personal relationship or other conflict of interest with the resident, I will inform the Competence Committee chair immediately and declare and describe the circumstance. If it is determined that a conflict exists, a replacement committee member will be chosen or I will recuse myself from discussions and decision making on this resident's progress as per the competence committee chair's decision.

- I agree to hold confidential the contents of the resident progress review both at the present time and at any point in the future. I agree to the further analysis of committee decisions and documentation for scholarly purposes.

- I will not discuss the details and outcomes of the resident progress review with others outside of the Competence Committee.

- The PGME Associate Dean or Competence Committee Chair reserves the right to withdraw Competence Committee members whose performance is deemed unsuitable.
