**Notes:**

1. Pre-requisites exist for most of the Certificate's required courses. See specific course prerequisites in the University Calendar or consult the Faculty's Student Services.
2. Normally, the requirements for the certificate can be completed as part of a student's degree program; however, in some cases, a student may need to take more than the minimum required for his or her degree program in order to qualify for the degree and the certificate.
3. To ensure accurate course planning, students outside the Faculty of Native Studies should consult with the Faculty of Native Studies Student Services Office and the program advisor in their home Faculty.
4. Since the certificate is awarded only upon graduation, students must notify the Faculty of completion of all requirements for the certificate by the graduation application date [see Academic Schedule in the University Calendar].
