

Preliminary Acceptance of Thesis

NMHI Graduate Program

NOTE: As stated in the FGSR's Graduate Program Manual, a preliminary acceptance of the thesis by the PhD Supervisory Committee is required before the thesis can be sent to the External Examiner. For both PhD and MSc students, this form must be completed by the student's Supervisory Committee and submitted to the NMHI graduate office before the 'Notice and Approval of Oral Examination Committee' form will be sent to the FGSR.

Student Name: _____ Student ID: _____
