

## Fall

<sup>1</sup> Registering in the LAB section of NURS 120 will automatically enroll the student in the LEC portion of the course.

**Sequence 1**  
**NURS 106 LEC A01**  
**NURS 120 LAB D <sup>1</sup>**  
**MMI 133 LEC A1 OR LEC A2**  
**ENGL/WRS**

**Sequence 2**  
**NURS 106 LEC A01**  
**NURS 120 LAB G <sup>1</sup>**  
**MMI 133 LEC A1 OR LEC A2**  
**ENGL/WRS**

## Winter

**NURS 125:** Students must select LEC B01 or B02, students in LAB L01-L04 must choose LEC B01

**Sequence 1**  
**NURS 116 LEC B01**  
**NURS 123 LEC B01**  
**NURS 124 LEC B01**  
**NURS 125 LAB L01-L22**

**Sequence 2**  
**NURS 116 LEC B01**  
**NURS 123 LEC B02**  
**NURS 124 LEC B02**  
**NURS 125 LAB L05-L22**

## Spring

<sup>2</sup> LEC 800 is taught online and will be restricted to students outside of the Edmonton area.

**Sequence 1+2**  
**INT D 222 LEC A01 or**  
**LEC 800**  
**Elective 1**

Sequences and patterns are based on the days of the week on which courses and clinicals are taught. Please refer to Bear Tracks for exact schedules.

## Notes on Specific Courses

<p>ENGL (*3) or WRS (*3)</p>	<p>ENGL (*3) or WRS (Writing Studies) (*3) is recommended to be taken in Fall Term of Year 1; Students may alternatively take ENGL or WRS in the Winter Term, but it fits more easily in the Fall Term Schedule.</p> <p><b>If there is no ENGL or WRS available, students may take an elective (scheduled in Year 2) in Fall Year 1 and take ENGL or WRS in Spring/Summer of Year 2.</b></p> <p>If credit has previously been obtained for ENGL (*3) or WRS (*3), it does not need to be taken again for the BScN program.</p>
<p>Electives (*3) (6 credits total)</p>	<p>6 credits total worth of electives are a part of the BScN program requirements. These are recommended to be taken in the Spring/ Summer of the 1st and 2nd year of the program (3 credits each; they must be taken prior to the start of the 4th year of the program.</p> <p>Students who are interested in the Fast Track option must take the second elective prior to the end of Year 2 Winter term.</p> <p>If a total of 6 credits has previously been obtained for electives, additional electives are not needed.</p> <p><b>The Faculty of Nursing has two asynchronous courses that students can enroll in to fulfil their elective requirements -- INT D 247 Resilience and INT D 249 The Science of Joy and Happiness. There will be enrollment spaces allocated for Nursing students who wish to enroll in these courses.</b></p>

**Sequences and patterns are based on the days of the week on which courses and clinicals are taught. Please refer to Bear Tracks for exact schedules.**

# BScN Collaborative Program Year 2 Registration Guide 2024-25

**UNIVERSITY  
OF ALBERTA**

Choose *one* of the following Sequences for both Fall and Winter.

## Fall

<sup>1</sup> **NURS 221:**  
Students will be automatically registered in LEC. Students must select a Clinical.

### Sequence 1

**NURS 211 LEC A01  
NURS 216A LEC C01  
NURS 220 LEC A01  
NURS 221 LAB D1 &  
CLN F1<sup>1</sup>**

### Sequence 2

**NURS 211 LEC A02  
NURS 216A LEC C02  
NURS 220 LEC A02  
NURS 221 LAB D2 &  
CLN F2<sup>1</sup>**

### Sequence 3

**NURS 211 LEC A03  
NURS 216A LEC C03  
NURS 220 LEC A03  
NURS 221 LAB D3 &  
F3<sup>1</sup>**

## Winter

<sup>2</sup> **NURS 225:**  
Students will be automatically registered in LEC. Students must select a Clinical.

### Sequence 1

**NURS 216B LEC C01  
NURS 224 LEC B01  
NURS 225 LAB H1 &  
CLN K1<sup>2</sup>  
NURS 311 LEC B01**

### Sequence 2

**NURS 216B LEC C02  
NURS 224 LEC B02  
NURS 225 LAB H2 &  
CLN K2<sup>2</sup>  
NURS 311 LEC B02**

### Sequence 3

**NURS 216B LEC C03  
NURS 224 LEC B03  
NURS 225 LAB H3 &  
CLN K3<sup>2</sup>  
NURS 311 B03**

## Spring

<sup>3</sup> Students who are interested in the Fast Track option must take the second elective prior to the end of Year 2 Winter Term.

**Sequence 1+2+3  
Elective 2<sup>3</sup>**

**Sequences and patterns are based on the days of the week on which courses and clinicals are taught. Please refer to Bear Tracks for exact schedules.**

## Notes on Specific Courses

<p>Electives (*3) (6 credits total)</p>	<p>Students who are interested in the Fast Track option must take the second elective prior to the end of Year 2 Winter term.</p> <p>If a total of 6 credits has previously been obtained for electives, additional electives are not needed.</p>
<p>NURS 216A/B</p>	<p>NURS 216 is a two-term course. Registration in both NURS 216A and NURS 216B components must be done separately.</p> <p>Students must enroll in the same section (C01/C02), and corresponding pattern in both Fall and Winter terms.</p> <p>Students must complete both A&amp;B enrollments on the same day, otherwise the course will be dropped.</p>

**Sequences and patterns are based on the days of the week on which courses and clinicals are taught. Please refer to Bear Tracks for exact schedules.**

# BScN Collaborative Program Year 3 Registration Guide 2024-25

**UNIVERSITY  
OF ALBERTA**

**Fall**

Choose *one* of the following options for Fall semester.

Students will take either NURS 322/323 or NURS 327 during Fall, and the other course during Winter.

**NURS 322** (Maternal/Child Nursing Practice) and **NURS 323** (Community Nursing Through the Lifespan) are offered jointly over Fall term. Each course runs for 3 weeks and students will either start with NURS 322 and then take NURS 323 or vice versa.

### Option 1A

**NURS 321** LAB D101-D106  
**NURS 322** LAB D701  
**NURS 323** LEC A501  
**NURS 300** LEC A01

### Option 1B

**NURS 321** LAB D101-D106  
**NURS 322** LAB D501  
**NURS 323** LEC A701  
**NURS 300** LEC A01

### Option 1C

**NURS 321** LAB D501-D507  
**NURS 322** LAB D301  
**NURS 323** LEC A101  
**NURS 300** LEC A01

### Option 1D

**NURS 321** LAB D501-D507  
**NURS 322** LAB D101  
**NURS 323** LEC A301  
**NURS 300** LEC A01

### Option 2A

**NURS 321** LAB D101-D106  
**NURS 327** LAB D501-D503  
**NURS 300** LEC A01

### Option 2B

**NURS 321** LAB D501-D507  
**NURS 327** LAB D101-103  
**NURS 300** LEC A01

### Honors Option 1A

**NURS 300** LEC A01  
**NURS 321** LAB D101/D102  
**NURS 327** LAB D501/D502  
**AND**  
**NURS 399A** SEM C01

### Honors Option 1B

**NURS 300** LEC A01  
**NURS 321** LAB D501/D502  
**NURS 327** LAB D101/D102  
**AND**  
**NURS 399A** SEM C01

Sequences and patterns are based on the days of the week on which courses and clinicals are taught. Please refer to Bear Tracks for exact schedules.

# BScN Collaborative Program Year 3 Registration Guide 2024-25

**UNIVERSITY  
OF ALBERTA**

Choose *one* of the following options for Winter semester. Select a group for the course you did NOT take during the Fall Term.

## Winter

### INT D 408:

Students must enroll in any two LEC "N" section for this course. This provides the 2 Interprofessional Learning credits.

### Option 1A

**NURS 325 LAB H101-H103  
NURS 327 LAB H501-H503**

**Two Of:  
INT D 408 LEC "N"**

### Option 1B

**NURS 325 LAB H501-H504  
NURS 327 LAB H101-H102**

**Two Of:  
INT D 408 LEC "N"**

### Option 2A

**NURS 325 LAB H201-H203  
NURS 322 LAB H801  
NURS 323 LEC B601**

**Two Of:  
INT D 408 LEC "N"**

### Option 2B

**NURS 325 LAB H201-H203  
NURS 322 LAB H601  
NURS 323 LEC B801**

**Two Of:  
INT D 408 LEC "N"**

### Option 2C

**NURS 325 LAB H601-H603  
NURS 322 LAB H401  
NURS 323 LEC B201**

**Two Of:  
INT D 408 LEC "N"**

### Option 2D

**NURS 325 LAB H601-H603  
NURS 322 LAB H201  
NURS 323 LEC B401**

**Two Of:  
INT D 408 LEC "N"**

### Honors Option 2A

**NURS 325 LAB H203  
NURS 322 LAB H601  
NURS 323 LEC B801  
NURS 399B SEM C01**

**Two Of:  
INT D 408 LEC "N"**

### Honors Option 2B

**NURS 325 LAB H603  
NURS 322 LAB H201  
NURS 323 LEC B401  
NURS 399B SEM C01**

**Two Of:  
INT D 408 LEC "N"**

**NOTE: Year 4 students will be automatically enrolled in courses by the Faculty of Nursing. Students will be emailed a form to submit their Sequence Preference.**

## Fall

**Honors:**  
NURS 422 LEC A01  
NURS 425 LEC U01  
INT D 420 LEC A01  
and  
NURS 499 SEM 800

**Sequence 1**  
NURS 422 LEC A01  
NURS 425 LEC U01  
INT D 420 LEC A01

**Sequence 2**  
NURS 485 LAB U02

## Winter

**Honors:**  
NURS 485 LAB Y02

**Sequence 1**  
NURS 485 LAB Y02

**Sequence 2**  
NURS 422 LEC B01  
NURS 425 LEC Y01  
INT D 420 LEC 850

Sequences and patterns are based on the days of the week on which courses and clinicals are taught. Please refer to Bear Tracks for exact schedules.

## **Notes on Clinical Placements**

Clinical practice preparation prior to the start of clinicals is required in addition to direct course hours. Details are included in the course outline.

Assigned times for Clinicals (e.g. 6:30am-11pm, 12:01am-11:59pm) indicate the possible ranges of time when clinical shifts may be scheduled.

The shifts will be assigned by the clinical setting, specifics on the times and locations will be provided in the course notes. Hybrid Clinical Learning Days may also be scheduled as a part of Clinicals.

After the registration deadline (**June 15th**), students will be set up in HSPnet and assigned their placements. Students should not attempt to register themselves into different sections thereafter to swap placements.

If you have already completed your placement request for NURS 485 and you have serious concerns about your placement, i.e., health concerns, academic concerns, or a conflicting UNE position, please contact [nursing.preceptorship@ualberta.ca](mailto:nursing.preceptorship@ualberta.ca).

Students may not go to a unit/area where they have worked or have a relative working on the unit. Please notify the Faculty as soon as possible following the posting of clinical groups if you find you are placed where you work or have worked.

Clinical Accommodations are available for students that require them. Please apply via the procedure on the webpage for each clinical course in which you require accommodations: <https://www.ualberta.ca/nursing/student-services/undergraduate/clinical/clinical-accommodations.html>

Please apply for Clinical Accommodations as soon as possible. Applications received after May 1st for Fall 2024 courses and September 1st for Winter 2025 courses may have fewer accommodations available.

**Sequences and patterns are based on the days of the week on which courses and clinicals are taught. Please refer to Bear Tracks for exact schedules.**
