

Results of the 2021 CRISP Grant Competition

The Clinical/Community Research Integration Support Program (CRISP) funds clinical and/or community research that has the potential to improve health outcomes and/or influence clinical practice at the point of care for women and/or children.

Funding requests are for up to \$20,000 spent over a period of three years. This funding opportunity welcomes applications from all areas of research investigation relevant to WCHRI. Applications are assessed by the CRISP Grant Advisory Committee and the WCHRI Community Review Committee. The CRISP Grant Advisory Committee is broadly composed of leading experts from the University of Alberta.

On behalf of WCHRI, Louanne Campbell, WCHRI director, operations with the committee chair, Dr. Shannon MacDonald and co-chair, Dr. Matt Hicks, would like to congratulate the successful awardees and thank all of the applicants for the time and effort invested in their grant submission.

Finally, WCHRI would like to acknowledge the ongoing commitment and generosity of the Stollery Children's Hospital Foundation (SCHF) and the Alberta Women's Health Foundation (AWHF) for their financial support of this grant program.
