5. I acknowledge that I have read the [Requisite Skills and Abilities](#) for PT Students document.*

Applicant Name*:

Date*:

The Faculty of Rehabilitation Medicine would like to better understand the composition and demographics of the applicants applying to the Professional Programs of Master of Science in Occupational Therapy, Physical Therapy and Speech-Language Pathology. Please take a few minutes to complete this anonymous survey that will tell us a little more about who you are. The results are held separately and are in no way linked to your application or have any bearing on our admissions decisions. The aggregate results of this survey will inform our policy decision-making as we strive to create a more equitable, inclusive, and diverse learning environment that is reflective of the communities we serve.
