

Tasks to Complete	
	Complete the graduate program application through the UofA Graduate Studies Management Solution (GSMS) .
	\$135 required application fee.
	A full-completed MANDATORY Physics graduate applicant declaration. (The PDF form is on our website .)
	Curriculum vitae: <ul style="list-style-type: none"> Including publications and references, must be three (3) pages or less.
	Statement of Purpose: <ul style="list-style-type: none"> In 500 words or less (1 single-spaces 8.5" x 11" page) tell us why you want to study physics at the University of Alberta. Be succinct.
	Three (3) letters of recommendation submitted by referees: <ul style="list-style-type: none"> Applicants are responsible for following up with their referees to see that the letters are submitted.
	Proof of English Language Proficiency (ELP) if required. Refer to the Faculty of Graduate and Postdoctoral Studies ELP webpages to see the most up-to-date information regarding exemptions from this requirement.
	Transcripts/marksheets & degree certificates: <ul style="list-style-type: none"> Applicants with Canadian or USA education must provide an official transcript for all postsecondary institutions attended. Applicants who studies in countries other than the above must provide an official degree certificate PLUS marksheets outlining all courses taken and grades obtained for all postsecondary institutions attended. All documents must be submitted in the original language and in English (exception: French language transcripts issued by Canadian institutions need not be translated). The English translation must be a direct translation and certified by the translator. Where the transcript states that a degree has been conferred, an official degree certificate is not required. Certification of transcripts and degrees must be endorsed with an imprint of the official seal of the institution and with the written signature of the responsible university officer. Notarized documents are unacceptable.

Attach only the documents listed above.

Do not attach reprints, abstracts, copies of theses, training certificates, etc., to your application. **Do not send** us hard copies of these documents. All hard copies of documents received become property of the Physics Department. **NO DOCUMENTS WILL BE RETURNED.**
