University of Alberta**

Compiled by M.R.W. Dawson on February 28, 2007

The listing below provides the titles of the journal holdings in the D.E. Smith Reading Room. These listings don't provide an accurate account of how many, or which, journals of each title are on the shelves. The date range and the volume range indicate the oldest and newest issue of each title on the shelves; for most journals we are missing many issues in between. Currently there are 99 different journal titles in this list.
