CHAPEL COLLECTION

2021
Nov 7: \$687

2019
Nov 10: \$1345*

*This collection was in fact \$4095, but much of it was fundraising for the new hymnals. This is the "regular" amount.

The collection basket is in front of the Holy Water basin.

BASILIAN BIRTHDAY

November 21 is the 199th anniversary of the founding of the Congregations of Priests of St. Basil – the Basilian Fathers. Or to make it sound more elegant, it is the beginning of our 200th year of ministry as a recognized congregation of religious priests and students for the priesthood. Our ministry is education in the Church's ministry of evangelization; we have traditionally been associated with high schools and universities as well as parishes. Our service at St. Joseph's College is at the centre of our mission, and we are very glad to be here.

COLLECTION ENVELOPES

Collection envelopes are now available in the foyer of the main chapel. They are organized by envelope number: if you have forgotten your number, **an alphabetized list of names (by last name)** and their associated numbers are posted on the inside ends of the coat rack.

D&P: PEOPLE AND PLANET FIRST

W In Honduras and Cambodia organizations supported by D&P are raising the voices of communities oppressed by a model of economic development that violates their rights. The Honduran Centre for the Promotion of Community Development trains environmental leaders to defend natural resources, the environment and human rights. In Cambodia Development and Partnership in Action's mission is, in part, to enable communities affected by extractive industries to gain advocacy skills so they can organize and defend their rights. The efforts of these communities to defend their rights are often threatened by powerful companies, some of which are Canadian, that plunder resources in countries of the Global South.

We can assist these partners of D&P by taking action to support their efforts. This year the action of D&P's PEOPLE AND PLANET FIRST campaign is about holding Canadian companies accountable for their operations abroad, to ensure that Canada is not complicit in the violation of the rights of our sisters and brothers. You can read and sign a petition asking the federal government to enact laws that will compel Canadian companies to conduct due diligence in their overseas operations and give victims of any abuses access to justice in Canadian courts. FLOCKNOTE PROBLEMS RESOLVED!

It turns out that what I thought was two equivalent ways of getting a signup link... wasn't. The problem should not happen again. That is, <https://stjosephscollege.flocknote.com/signup/74225> is right, but <https://stjosephscollege.flocknote.com/signups/74225> is wrong.
