PEW UPDATE

We are finalizing details of the new pews that we will be adding to the chapel. Four 13-foot pews (equal to 8 chair widths) and two 10-foot pews (equal to 6 chair widths) will be placed where the rows of chairs are now. The front pews will have kneelers on them, for those who wish to use them. They will be stained to match the existing pews, but will be of a slightly different style. We hope, with these pews, to have adequate chapel seating for everyone, while leaving room at the front for rites like baptisms and weddings.
