SJC News - December 2022

Giving Tuesday for SJC is TOMORROW (Nov. 29)!

The last Tuesday of November is Giving Tuesday, a day when many charities and non-profits encourage donations before the end of the fiscal year. Give through our website or via CanadaHelps - both work!

Historically the SJC community has been very supportive on this day, and we hope that continues this year as part of our Christmas Campaign. Thank you for your generous support of our mission.

And of course, if you miss Giving Tuesday and still want to contribute, time's not up yet! We will be staffing our phone lines and inboxes up until December 31, so you can get those end-of-year tax benefits (as much as 50% of your gift!).

If you'd like to direct your donation to a specific SJC initiative, you can [see some of our current needs here](#) and read about how your donations directly help our students.
