Education is one of the most effective ways of making our world and history more human. Education is above all a matter of love and responsibility handed down from one generation to another.

SJC will be closed on Thursday, September 30, 2021 in order to honour the **National Day of Truth and Reconciliation**.

We will also be hosting a **Penitential Vigil for Truth and Reconciliation** on the evening of Wednesday, September 29th. This will be a prayer service, and all are welcome. Please watch our website and social media for further details.

This week, on Thursday, September 23, we will be hosting our first instalment of the SJC Speaker Series, ***Indigenous Spirituality: Resiliency and Encounter***. Our presenter is **Dr. Christine Jamieson** of Concordia University in Montreal. [Register for the event here](#) and see below for more information.

Finally, we encourage you to revisit the [letter from the Association of Catholic Colleges and Universities in Canada \(ACCUC\)](#) from June of 2021. President Flynn of SJC has joined with over 20 other Catholic colleges and universities to re-commit to the important work of truth and reconciliation. In addition to this, he recently participated in 8 hours of listening sessions with Indigenous leaders, in preparation for the Canadian Indigenous delegation to Rome to meet with Pope Francis.

Keep an eye out for a message to the community from President Flynn closer to September 30th.

Thank You to our Donors!

This summer, SJC improved its energy efficiency and sustainability by upgrading all of our lighting to LED. LED lighting is not only higher quality than incandescent lighting, but it is also cost-saving and environmentally friendly.

This project would not have been possible without the support of our donors. Thank you so much for helping us steward our facilities and the environment with care!
