The *Dying with Christ - Living with Hope* series seeks to demystify death and dying, making way for a new approach to end-of-life questions, including a Christian approach to MAiD.

The discussion, led by theologians and healthcare professionals, offers perspectives on suffering, grief, dying, and our duty to care.

WHEN?
St. Joseph's College Lighthouse group will host this series on four Monday evenings (April 8-29) via Zoom.

WHO?
Sister Elizabeth Polievre and Dr. Paul Flaman from St. Joseph's College will join us to help us understand this issue from a Catholic perspective.

WHY?
Dying with Christ - Living with Hope is a powerful tool to help Christians in Canada have crucial conversations about death and dying.

ABOUT CMDA CANADA
