DEVELOPMENT & PEACE

The Amazon is home to half of all the plants and animals in the world, one-fifth of its freshwater and one-third of its forests. It is called "the lungs of the planet" because the Amazon rainforest produces 20% of the oxygen we breathe. It is also home to more than 30 million people, nearly 3 million of whom belong to 380 indigenous groups. Logging, industrial farming, mining and oil companies and hydroelectric dams threaten their way of life and their survival. The people who live there want to protect their lands, their waters, and their sustainable lifestyles against profiteers who come after their natural resources. Pick up a copy of our Action Sheet to learn more about the campaign For Our Common Home; and our Prayer.

MASS SCHEDULE CHANGE (THIS WEEK ONLY)

There will be only one weekday mass over the next week: Monday, November 4. Fr. Jim will be at the Priests Assembly from Tuesday to Thursday, and the following Monday is a civic holiday (Remembrance Day).

The focus of the Priests Assembly is on better preaching. Please remember the priests of the Archdiocese as we try to become better servants of God's word!

CALLED TO PROTECT SCHEDULE

Upcoming sessions are at the following Edmonton parishes:

- Thu, Nov 14, St. Theresa, 7 - 9:30 pm
- Wed, Nov 27, St. Joseph's Basilica, 7 - 9:30 pm

We are looking into having a session at SJC in the not-too-distant future, but a session at another parish may well be more convenient for you. Please remember to sign in!

CATHOLIC EDUCATION SUNDAY

There are 5 Precepts of the Catholic Church. These Precepts are responsibilities we accept and support as faithful Catholics, one of which is to support the various needs of the Church. Catholic Education and its support would come under this particular Precept. Consequently, parents of school aged children should understand that if possible they ought to send their children to a Catholic School. Why? To send your child to a Catholic School is one way to assist in his or her moral and spiritual formation as well as academic instruction. A Catholic Education complements the excellent beginning parents provide in the home as well as through the lessons children receive in the Mass on Sunday.

Catholic Schools in Alberta are publicly funded (meaning no extra tuition nor personal monies are required); this is a gift and an opportunity on many levels. As a citizen it is your civic right; as a Catholic it becomes our faith responsibility. If we as Catholics choose not to send our children to our Catholic Schools, we should consider: what message does it send, how does it affect the future of Catholic Education, and what will it mean for the Church?

Please share this information with family, fellow Parishioners, new immigrants, and friends. They are welcome to speak to any Parish or Catholic School for further information. Publicly funded Catholic Education is of inestimable value to our children and great benefit to our society's future.

EDUCATION PROPERTY TAX

Education property taxes provide a stable source of revenue and equitable funding that supports education from kindergarten to Grade 12. According to government statistics, education property tax will fund approximately 30% of the consolidated education operating cost, including teachers' salaries, textbooks and classroom resources.

The Canadian Constitution guarantees Roman Catholic citizens' minority rights to a separate education system. In communities with separate school jurisdictions, property owners can declare they are of the Roman Catholic Faith so their education property tax dollars can be directed to those separate school jurisdictions. Your declaration helps ensure our Separate schools remain supported and protected.
