DEVELOPMENT & PEACE

On behalf of all those striving to preserve their land, their water, their culture, their lives and our common home, D&P/Caritas Canada thanks all those who took action last weekend by signing our Solidarity Letter to the indigenous peoples of the Amazon. If you missed the chance to sign the letter, you can still sign by going to: devp.org/act

You can also begin or continue your own ecological conversion by signing the intergenerational pledge for our common home to choose a personal change to put into action. Go to: devp.org/pledge Let's act together to enable present and future generations to live a dignified and happy life. Without our action, there is no change and no justice!

NO MASS ON THURSDAY, DECEMBER 5

The Archbishop has invited all the priests of the Archdiocese to a special meeting at the Archdiocesan offices on Thursday, December 5, at 1:00 pm. I understand the primary purpose of the meeting is to brief the clergy on revised policies and protocols on abuse prevention and reporting, and to outline what exactly happens when a priest is accused. Due to my attendance at this meeting, I will not be able to celebrate the 12:30 pm mass.

Please pray for all victims of clerical abuse, and for those who work to prevent it.

SUNDAY BRUNCH

Every Sunday from 9am-2pm downstairs in the dining hall. Everyone is welcome! The cost is \$12.50 per person or \$30.00 per family of 4.

To access the dining hall go down the hall to the central stairwell and down the stairs. Dining hall will be straight ahead

GLOBE AND MAIL ARTICLE ABOUT HOD MARSHALL

In an opinion piece in the November 26 edition of the Globe and Mail, Julie Byczynski reminisces about Basilian Father William Hodgson Marshall CSB. Hod Marshall pleaded guilty to 17 charges of sexual assault of children, but admitted to many more victims before his death on July 28, 2014.

Julie Byczynski was a student at Holy Names High School in Windsor, Ontario when Fr. Marshall was Principal. She remembers being shocked when she read of his guilty plea in June of 2011. "...how was it possible that we didn't see it? How could we not have known?" she asked a friend.

In her concluding paragraphs Julie repeats the questions: "Did I know? Did my teachers know? I don't believe I had any clue, but is that just a convenience of time, of memory? It matters not. All of us are guilty of not questioning, not paying enough attention and not talking. That stops now. That stops here. Thirty years on."

This is why the Called to Protect training program is so vital. It is not because we suspect any volunteer of being a potential abuser. It is so that when a charismatic predator like Fr, Hod walks among us, as many people as possible are trained to see through their tricks.

Please help make Julie's promise true. Make it stop now. Make it stop here. Let's not wait another thirty years.
