## CRUNCH ON CURIOSITY

Have you ever come across questions regarding your faith? Have some of the teachings of the bible caused you to ponder upon what it could REALLY mean? Well, luckily you are not alone! It is difficult navigating our way through such an advancing time period where temptations run deep and faith seems to be wavering. We often come across questions like: "if all sin weighs the same, am I equally as guilty as a criminal when I tell a small lie?" and "Why does Catholicism prohibit the use of contraception?" To explore some of these questions, the CSA would like to introduce to you a group called "Crunch on Curiosity". This group will meet every other Wednesday starting the 22nd of January from 5-6:30pm in the boardroom to discuss topics like this and many more. We will have speakers and time to discuss. Snacks will also be provided! So come out and join this group if you are interested in exploring some of these juicy questions and many more! We hope to see you there.

## D&P: "FOR OUR COMMON HOME"

In response to Pope Francis's concern for the Amazon and its peoples, we are invited to heed the cry of the poor and the cry of the Earth through the testimonies of Indigenous and traditional communities who are struggling to protect the Amazon forest from shameless plunder. We are also invited to live an ecological conversion and to take concrete actions to preserve the future of our Earth.

Development and Peace — Caritas Canada calls us to reaffirm our commitment "For our Common Home" and to carry that message into our parishes and communities. You are invited to the Lenten Workshop on Saturday, February 8, 2020, at Newman Theological College (10012 84 St NW) from 10:00AM to 3:00PM. In the spirit of Lent, we will share a frugal vegetarian lunch by donation. Please RSVP to Sylvianne Perry at [nspperry@telus.net](mailto:nspperry@telus.net) or call 780-462-2529.

## INTERIM PRESIDENT NAMED

---

In October of 2019, Archbishop Smith announced that Fr. Terry would not be renewing his role of president for a third term. The Board of Governors warmly thanks Fr. Terry for his strong leadership. During his tenure the College has seen the building of a new women's residence, the commissioning of a major College history, and a new strategic plan. Please hold Tuesday, May 26, as St. Joseph's College will be celebrating Fr. Terry's eight years of service to our community. More information will be forthcoming.

Dr. Shawn Flynn will serve as Interim President for one year, beginning July 1, 2020. Dr. Flynn has served as the Academic Dean, and then Vice President (Academic) and Dean, at St. Joseph's College since 2017. His area of research is in the Hebrew Bible, and he has published on topics such as God in the Hebrew Bible and children in the Hebrew Bible and the ancient Near East. Enrolments have climbed under Dr. Flynn's tenure from around 1900 when he arrived to around 2,600 currently. SJC courses have seen the introduction of consistent TA support, and the Certificate of Catholic Education has been revised.

During the time while Dr. Flynn serves as Interim President, Dr. Matthew Kostelecky will serve as Interim Vice President (Academic) and Dean. Dr. Kostelecky has been an Associate Professor of Philosophy at St. Joseph's College since 2009. He has written on Thomas Aquinas and Aristotle, and is currently researching the historical development of metaphysics as a discipline, from ancient Greek philosophy, through Islamic thought, and then into medieval Latin thought. He has worked as the Associate Dean for the past four years.

The Board will begin consultation about the search process, and following this work, will then begin the task of the search for President of St. Joseph's College.

A letter giving a more detailed resume of Fr. Terry, Dr. Flynn and Dr. Kostelecky is available beside the bulletins.
