BEYOND THE "EVOLUTION" VS. "CREATION" DEBATE

Are there only two positions on origins: either "evolution" or "creation"? This lecture is an introduction to academic terminology, science-religion dialogue, and various views on origins (young earth creation, progressive creation, evolutionary creation, deistic evolution, and atheistic evolution). Dr. Denis O. Lamoureux PhD (Theology) PhD (Biology) will also share his personal voyage in this debate.

Date: Wed, Feb5

Time: 5:00 to 6:20 PM

Place: Central Academic Building (CAB) Room 243

No charge, and all are welcome.

D&P: "FOR OUR COMMON HOME"

In response to Pope Francis's concern for the Amazon and its peoples, we are invited to heed the cry of the poor and the cry of the Earth through the testimonies of Indigenous and traditional communities who are struggling to protect the Amazon forest from shameless plunder. We are also invited to live an ecological conversion and to take concrete actions to preserve the future of our Earth.

Development and Peace — Caritas Canada calls us to reaffirm our commitment "For our Common Home" and to carry that message into our parishes and communities. You are invited to the Lenten Workshop on Saturday, February 8, 2020, at Newman Theological College (10012 84 St NW) from 10:00AM to 3:00PM. In the spirit of Lent, we will share a frugal vegetarian lunch by donation. Please RSVP to Sylvianne Perry at sperry@telus.net or call 780-462-2529.

SCAM EMAIL ALERT

The Archdiocese received two reports this week about email scammers targeting our parishioners once again. These emails look like they come from a pastor, because the scammers have created fake Gmail accounts in the pastor's name. Typically, they ask the recipient to purchase gift cards for someone in need. Please be assured that our priests NEVER email their parishioners to ask for money or gift cards out of the blue. If you receive such an email, we encourage you to report it to the Canadian Anti-Fraud Centre (online or at 1-888-495-8501).

THANK YOU!

Many thanks to all who made this weekend's Called to Protect Workshop a success. If you missed it, here are some upcoming CTP events in the city:
