CLASSES SWITCH TO ONLINE ACCESS

The University has required that all in-person classes be adjusted to allow for remote (online) delivery. This is effective Tuesday, March 16. Classes are cancelled on Monday to give instructors time to prepare for this change.

PRAYER IN THE TIME OF THE CORONAVIRUS

Comfort us, O Lord, for we are like your disciples in the storm tossed seas, unsettled by what lies ahead.

We turn to You, our Healer and Guide, to still our hearts in our time of need and hear our prayer:

Heal those who are sick with the coronavirus and protect the elderly and most vulnerable.

Give strength to all who tend to our health, and wisdom to researchers who work toward a cure.

Open our eyes and hearts, that we may look beyond our immediate needs to care for others who need help.

Through the Holy Spirit, guide our leaders to make wise decisions for the welfare of all the people they serve.

Grant eternal rest to those who have died from the virus.

May Mary, Our Mother, who has heard our pleas in the storms of our lives, intercede to her Son, that we may find healing and a prompt end to this illness.

St. Joseph, pray for us.

Jesus Christ, Our Lord and Savior, heal us.

Amen.

CORONAVIRUS PRECAUTIONS (UPDATED)

The Archdiocese of Edmonton continues to consult health officials to monitor the local situation regarding active cases of the coronavirus (COVID-19). At this time, Archbishop Smith is requesting that all parishes implement the following measures on a temporary basis:

- At the Sign of Peace, refrain from shaking hands – a simple bow, nod, or “Peace be with you” to your neighbour is appropriate.
- All holy water fonts are to remain empty.
- The Precious Blood is not to be distributed from the chalice.
- Non-Eucharistic activities at the parish will be cancelled if we expect more than 250 attendees.

Communicants can receive the Body of Christ either in the hand or on the tongue. We request that those who prefer to receive on the tongue approach for communion after all others have received.

Please also continue to practice healthy hygiene – wash your hands with soap or use hand sanitizer regularly, remain home if you are sick, sneeze/cough into your sleeve, and avoid touching your eyes, nose or mouth. Let us continue to care for ourselves and one another as we pray for all those affected worldwide by COVID-19.

DEVELOPMENT & PEACE SHARE LENT

For several years now the Mura people of Brazil’s Amazonas state have sought to assert their claim to their ancestral lands. To their frustration, however, it has been much easier for cattle herders and a potash mine to occupy and control those lands than it has been for them to have their rights respected. D&P’s partner, the Indigenous Missionary Council (CIMI), helps them advocate for, defend and publicize their cause more effectively.

“On behalf of the Mura in my region, I want to thank Canadians. We are very happy to have your support. It helps us in our struggle to have our rights and our land respected.”—Jeremias Oliveira, representative of the Mura community, Brazil.

Watch the Mura testimony at: devp.org/campaign/mura; and consult the Mini-Magazine on the table outside the chapel or on-line.
