SJC News - Summer 2023

SJC Fundraising Breakfast!

Many thanks to those of you that attended and supported our first annual SJC Spring Fundraising Breakfast in April! Together we collected over \$50,000 (\$60K in revenue and under \$10K in expenses), expanded the event into two seatings due to demand, and had six corporate sponsorships and countless table sponsors. Over 40 individuals supported SJC for the first time, almost a dozen increased their monthly donations, and three families asked to be contacted regarding estate gifts. Plus many individuals left with a tasty bottle of wine or a silent auction item! A highlight was the performances and talks given by our amazing SJC students and alumni!

Mark your calendar now for April 20, 2024, as that is the tentative date for next year's event!

Derek Ryan Meet and Greet

A March highlight at SJC was the Derek Ryan

Meet & Greet. We had a number of alumni, current students, and members of our worshipping community hear from Derek about his time living at SJC, stories of when he played for the UofA Bears hockey team, and what it is like playing for the Edmonton Oilers. It was fascinating to hear about his path to the NHL, how much of the game is "scripted" versus natural, and how many plays the Oilers have on their historic power play. While the season didn't end the way we all hoped, we are hoping he both returns to the Oilers AND to SJC for another visit next year!

SJC Merch!

We are excited to announce our new merch website is live. Stop by the Study Lounge and see the display case showing off a few examples of St. Joseph's College swag!

The merchandise is customizable and you can choose from a variety of brands, products, and designs to show off your SJC pride. Additionally, 10% of all purchases help support the college directly!

SJC Commencement

On April 15th, SJC celebrated Commencement!

The day started with a donor/award winner breakfast where SJC students and supporters were able to meet each other! Bagpipe music led our faculty into the chapel for our Commencement exercises, which was then followed up with a lunch reception. Congrats to all of our amazing students!

SJC Residence Video
