

WHY SJC?

Discover what we have to offer!

"SJC has been essential to my university life; it is my second home... The students become like a family. We look out for each other and help each other out. I know that no matter what, I can walk through SJC and someone will say hi or stop and chat, and I think that is pretty special."

St. Joseph's College is an affiliate Catholic college located at the heart of the University of Alberta, the province's premier research institution. We support students in their development as whole people by offering university credit courses that explore the unity of faith and reason. Additionally, we provide a safe, inclusive community through our residences and campus ministry.

At St. Joseph's College, students are empowered to ask big questions, build lifelong relationships, and develop a faith that is authentic and personal. They go out into the world equipped with the tools and vision to contribute to the common good.

LIVE IN THE HEART OF CAMPUS

SJC has both a women's residence and a men's residence for any UofA student, located in the center of the University of Alberta.

Email sjgres@ualberta.ca to request a tour or watch a virtual tour on our website.

FIND COMMUNITY

At SJC we provide an accepting and tight-knit community in the centre of a large university. There are many opportunities for students to find support and get involved, such as participation in campus intramurals, student-led interest groups, social events, mentorship programs, access to campus ministers and chaplaincy services, and weekly student masses.
